Description

The Bavaria Cruiser 46 sets the benchmark for space, comfort, and effortless handling in the 45-47 ft range. Awarded European Yacht of the Year 2015, it continues to be one of Bavaria's most successful and sought-after models -praised for its intelligent design, excellent sailing performance, and luxurious onboard experience.

Designed in collaboration with Farr Yacht Design, the Cruiser 46 delivers a balanced combination of power under sail and stability, ensuring confidence for both seasoned sailors and families alike. On deck, the generous cockpit provides an ideal environment for relaxed cruising or entertaining, with ample seating and easy movement throughout.

Below deck, the Cruiser 46 impresses with an expansive interior layout and exceptional headroom. Offered in both 3- and 4-cabin configurations, it caters to a wide range of crew sizes and cruising needs. A standout feature is the innovative forward cabin, which can be quickly transformed from a single, full-beam master suite into two private cabins, perfect for adaptable guest accommodation. Three separate heads ensure maximum privacy for all onboard.

The forward cabin features a large triangular master berth (1.93 x 2.10 m), while the aft cabins offer wide, rectangular double beds (1.98 m long), ensuring comfort during extended stays. The spacious saloon includes an inviting dining area and an L-shaped galley to port, complete with abundant storage, a 90 L fridge, and a 2-burner gas stove, ideal for preparing meals at sea or at anchor.

Owners can tailor the yacht to their preferences with a selection of rig, sail, equipment, and styling options, ensuring the Cruiser 46 meets personal cruising or charter requirements.

With its combination of award-winning design, generous living spaces, and user-friendly sailing characteristics, the Bavaria Cruiser 46 is ideal for those seeking a premium cruising yacht that delivers both performance and comfort.
