Description

The BAVARIA S30 embodies everything that makes the BAVARIA S-LINE so respected, precision German engineering, smart use of space, and a design philosophy that blends performance with comfort. Compact, powerful, and remarkably versatile, the S30 focuses on the essentials: dynamic handling, ease of use, and flexibility for boaters who want both exciting performance and relaxed cruising in a single package.

The S30's sporty exterior lines immediately signal its energetic character, while onboard, every area has been thoughtfully arranged to maximise space and comfort. Below deck, the interior offers surprising volume for a yacht of this size, including two-metre twin beds in the aft cabin, 1.85m of standing height, and a well-appointed bathroom with toilet and shower. The salon comfortably seats four and can convert into an additional double berth, making the S30 suitable for both day trips and overnight stays.

On deck, the large cockpit with table and wetbar forms the social heart of the boat, ideal for entertaining family and friends. A generous stern sunbed with large storage beneath enhances comfort and practicality, while the ergonomic helm ensures confidence and control at any speed. With a range of Mercruiser and Volvo Penta Z-Drive engine options, owners can tailor performance to exactly how they enjoy boating. The S30 can also be personalised through a selection of attractive packages and a choice of premium wood, fabric, and upholstery finishes.

Bringing together sporty driving pleasure, a clever layout, and impressive versatility, the BAVARIA S30 offers everything a modern boater needs in a compact cruiser, agile on the water yet comfortable for extended time aboard.

As the Australian dealer for Bavaria Yachts, Sydney Marine Brokerage can guide you through layout options, equipment packages, and delivery timelines. Contact us today to learn more about the S30 and explore the full Bavaria range.
