Description

TheBavaria S30 Signature Editionenhances the compact and versatile S-Line cruiser with a carefully curated package of factory-fitted upgrades that elevate styling, comfort, and onboard functionality while retaining the S30's sporty performance and effortless handling.

Designed for boaters who want dynamic driving pleasure in a manageable size, the S30 combines precision German engineering with intelligent space utilisation. Its agile hull and responsive helm deliver confident performance at speed, while its clever layout ensures comfort and usability whether on a short day cruise or an overnight stay.

The Signature Edition introduces a significant upgrade in onboard comfort and styling. On deck, it features Silvertex Signature upholstery on cockpit seating and sunpads, teak cockpit flooring, a foredeck sunpad, and a teak bathing platform. An exterior lighting package enhances both atmosphere and practicality, including underwater, step, engine bay, and side deck lighting. A cockpit refrigerator, Fusion Apollo audio system with cockpit and saloon integration, and upgraded Silwy onboard accessories further enhance the experience.

Practical cruising features include an electric windlass with anchor and chain, bow thruster for easy manoeuvring, trim tabs with electronic control, and a comprehensive bathing platform for improved water access. These upgrades make the S30 SE significantly easier to handle and more enjoyable for everyday use.

Below deck, the interior is finished in Nordic Oak with Wenge accents, complemented by upgraded flooring and ambient lighting. Cold foam mattresses with memory tops are fitted throughout all berths, enhancing comfort for extended stays onboard.

Entertainment and onboard systems are upgraded with a Fusion Apollo MS-RA770 audio system, DAB+ radio, cockpit and saloon speakers, and remote cockpit control. Navigation and engine data are displayed via integrated 7" multifunction screens, tailored to both Volvo Penta and Mercruiser configurations.

With its combination of sporty performance, upgraded comfort, and intelligent design enhancements, the Bavaria S30 SE delivers a more refined and complete expression of compact cruising.
