Description

TheBavaria S45 Signature Editionrepresents the pinnacle of the S-Line philosophy, combining high-performance cruising, luxury accommodation, and advanced onboard systems in a refined factory-enhanced package. Built with precision German engineering, it delivers a seamless balance of speed, comfort, and intelligent design across every area of the yacht.

Designed for owners who expect both performance and sophistication, the S45 features a sleek profile and dynamic hull form for confident handling in all conditions. Available in HARDTOP or COUPÉ configurations, it offers flexibility between open-air lifestyle and protected cruising, without compromising the spacious feel and flow of the deck layout.

The Signature Edition elevates the S45 with a comprehensive suite of exterior, interior, and systems upgrades. On deck, enhancements include Silvertex Signature upholstery, teak cockpit flooring, a foredeck sunpad with adjustable backrest, expanded exterior lighting (including underwater, step, and side deck illumination), and an upgraded cockpit refrigeration system for extended entertaining. Premium detailing and upgraded materials further refine the yacht’s luxury feel throughout.

Below deck, the interior is finished in Nordic Oak with Wenge flooring and enhanced ambient lighting, complemented by Venetian blinds throughout the saloon and cabins. Cold foam mattresses with memory tops are fitted as standard across all berths, ensuring superior comfort for extended cruising. The owner’s suite delivers private, hotel-style accommodation with ensuite facilities and generous space.

The Signature Edition PLATIN package further enhances capability with advanced navigation and systems integration, including a 12” Simrad NSX multifunction display, VHF with AIS and wireless handset, aft docking camera, speed/depth sensors, and joystick control for precise handling. Comfort systems are also significantly upgraded with reverse-cycle air conditioning throughout the yacht and a diesel generator for true independent cruising capability.

With powerful twin-engine performance, refined luxury appointments, and a fully integrated systems package, the Bavaria S45 SE delivers a premium motor yacht experience at the highest level of the S-Line range.
