Description

The Bavaria Virtess is the result of a successful collaboration with the TOO DESIGN Team, led by Italian designer Marco Casali, combining classic elegance with powerful dynamics. With her pure lines and exceptionally modern design, the Virtess exudes sophistication and style, while offering generous space, intelligent layouts, and a wide range of equipment and features both above and below deck.

Available in Coupé or Flybridge versions, the Virtess accommodates a three-cabin, two-head layout, providing comfort and privacy for family and guests. The Coupé version features a large sliding roof, adding light and a sense of openness to the luxurious salon. The yacht is powered by dynamic twin drives, optionally available as Z-Drive or IPS drive, delivering impressive performance, precise handling, and smooth driving pleasure. The helm is designed for two people, allowing comfortable operation while maintaining excellent visibility and control.

The interior is designed with luxury and practicality in mind, featuring elegant cabins, a spacious salon, and a clever rail system on the aft deck that allows the cockpit table and seating benches to be quickly transformed for lounging, dining, or sunbathing. Owners can choose from attractive packages, options, and premium materials for wood, fabrics, and upholstery, allowing the yacht to be tailored to individual tastes.

With its combination of striking design, innovative solutions, and luxurious living spaces, the Bavaria Virtess is perfect for those seeking performance, comfort, and elegance on the water.

As the Australian dealer for Bavaria Yachts, Sydney Marine Brokerage can guide you through layout options, equipment packages, and delivery timelines. Contact us today to learn more about the Virtess and explore the full Bavaria range.
