Description

Fall in love with this incredibly stunning classic 21ft Timber Speed Boat, 'Sea Grub' has been lovingly looked after and is now looking for a new home.

This beautiful vessel was built by Alfredo Formeani, an Italian shipwright in Sydney in 1950. In 2004 she underwent a full restoration and today presents in excellent condition. The rebuild was professionally done by Bruce Gault a shipwright based at Taren Point, where her hull was Dynal Sheathed, a new teak and mahogany deck and transom were fitted and the engine was also rebuilt.

'Sea Grub' is powered with a 318 Water Cooled Chrysler engine, that sounds incredible, the classic note of the engine and stunning lines, truly turns heads where ever she goes.

The Velvet drive gearbox, and clever forward driving position make her an absolute joy to drive. The boat also features classic upholstery and plenty of room on board for friends and guests to enjoy.

The boat is currently anti fouled, but there is also a tandem trailer that is included in the sale.

If you can see your self becoming the new custodian of this gorgeous vessel, please do not delay and contact us today for further information, or to arrange a viewing.

Features

Hull Construction Material	Timber
Hull Type	Monohull
Deck Construction Material	Teak
Country Origin	Australia
