Description

Widely Regarded as one of the best blue water sailing yachts for her size, the Hans Christian 38 Mk 2 has not only proven this time and time again but has also carved herself out a worldwide cult following.

Her stunning lines, magnificent bow sprit and impeccable solid teak interior ooze quality of a by gone era when yachts were built to withstand the toughest of conditions and gave any owner the confidence to tackle many far away cruising destinations without fear.

But why buy a Hans Christian?

Well, besides being the prettiest yacht in the anchorage, you certainly cannot get much better bang for your buck!

'Aeolus' is an excellent example of these great yachts and having been launched in 1987, she is also the latest model on the market worldwide.

'Aeolus' is an Australian Registered Ship and has been fitted with many must have cruising additions including:
• Raymarine Electronics Package Including Auto Pilot and AIS
• 2.3m GRP Montegomery Tender with 3.3hp Mariner
• Xantrax Charging System
• Jabscoe Electric Head
• Force 10 Oven with grill
• Monitor Wind Vane
• Boom Preventor
• Spinnaker Pole
• Rear mounted Yanmar 3YM30 Engine + Fixed 3 Blade Prop and Spare Folding Prop
• Muir Electric Anchor Winch
• Saltwater Deck Wash

Internally 'Aeolus' is stunning, the timber work and craftsman ship is simply irreplaceable, a hugely spacious saloon with butterfly hatch, gas heater and comfy lounges gives you a feeling of home away from home. The Starboard long lounge also pulls out to add another berth for extended family or friends to stay.

In this version the engine has been fitted behind the companionway steps, rather than under the sink in the galley, which has hugely increased the storage capacity and the performance of the yacht, greatly balancing out her forward beam with some much-wanted aft positioned weight.

Huge fuel and water capacities similar to what you would normally find on a modern 50ft yacht and liveaboard comfort second to none amongst her peers. If you are considering a trip to Lord Howe, a lap around Australia, or perhaps a circumnavigation...or two...this is the yacht for you!

If you are looking for the most comfortable 38ft liveaboard available on the market today and are starting to fall in love with this gorgeous Hans Christian 38 Mk2, do not delay and contact the team at SMB for any further information or to organise a viewing. We look forward to showing you over 'Aeolus'.
