Description

2019 Lightwave 45 Grande' - Premium Offshore Cruising Catamaran

Introducing "Aoturoa", a standout example of the Lightwave 45 Grande', a performance cruising catamaran designed for serious offshore sailors who don't want to compromise on comfort or style. Launched in 2019 and maintained to a very high standard, this vessel presents in exceptional condition with a thoughtful layout and an extensive list of top tier equipment.

The three cabin, two bathroom configuration features a galley up design, ideal for social cruising and practical offshore living. She features Quality finishes and custom touches throughout the interior, reflecting the vessel's luxury specification.

Performance is at the core of "Aoturoa's" design. Aport-side daggerboardenhances upwind capability, while an extensive sail handling system, including 6 Andersonelectric winchesensure comfortable and safe sailing in all conditions.

Well Equipped for extended cruising,Aoturoaincludes:

- Air conditioning and heating for climate comfort
- Generator and watermaker for off-grid independence
- Washer/dryer for added convenience
- Satellite communication systems
- Comprehensive navigation and safety equipment
- Iridium PredictWind system for reliable offshore weather prediction.
- Sonos surround sound system
- Scanner/printer for improved live-aboard capability
- Garmin - Auto pilot, chart plotter, depth/speed log, rudder indicator, sonar, tri-data, vhf radio and vhf remote mic
- Extensive fridge/freezer space

Every system on board has been carefully maintained, with regular servicing and a no compromise approach to upkeep. The result is a turn key, bluewater capable multihull with all the features needed for global cruising.
