Description

Nominated ‘Best European Motor Boat of the year’, winner of ‘Best boat of the year’ in 2016, and awarded the ‘Champion Jachtingu 2015’ by polish magazineJachting MagazinetheSasga 34has already achieved a huge amount of popularity in Europe and across the world.

TheSasga 34features incredible manoeuvrability and excellent sea going characteristics.

With a heavily flared bow, they allow for huge forward deck space with plenty of room for sunbathing and spacious walk around decks. The aft cockpit is incredibly generous and under cover, perfect for our Australian conditions.

Another excellent feature of the Sasga 34 are the double doors which open the cockpit all on one level through to the saloon and helm station, making entertaining and travelling at sea very comfortable and enjoyable.

The engines are located via a huge hatch in the aft cockpit, making servicing and general systems accesses a piece of cake.

You will want to show off your engines as well, the Sasga 34 is Powered with twin Volvo D4-225hp Diesel engines, and being a semi-displacement cruiser she gets along at a top speed of 21 knots at 3800rpm, or cruises at 8 Knots at 2000rpm with a total fuel burn of around 19Litres p/h.

The Sasga 34 also features a skeg through the aft of the vessel which really helps with manoeuvring at low speeds and also keeps her stable at anchor or punching through waves off-shore.

With the generous two cabin configuration and excellent entertaining space the Sasga 34 packs a hell of a lot of boat into 34 ft, for more information or to discover more about this awesome boat, please contact us today.
