Description

Renowned Port Phillip Bay boat builder Jack Savage designed & built the Savage 42 for his own cruising and club racing.....The result, a robust performance cruiser proven by multitudes of successful ocean cruises.

The protected centre cockpit not only gives reassurance at sea, but also gives the ultimate cruising layout below featuring a large private owners aft cabin with 'ensuite' enclosed toilet.

'Sundancer 2 has been cruised extensively all over the world. She performs incredibly well for a boat of this size and is easy to handle single handed or short-handed. It is an excellent coastal cruising boat with everything required for live aboard and cruising and features some must have extras including:

- 3 blade Feathering Prop
- Barlow Winches
- Simrad NSS7 electronics
- Sailmail modem for at sea email
- Furuno Radar
- Antifouled Jan 2019
- Engine fully serviced Jan 2019

The motor has been well maintained and never misses a beat, so for those who want reliability you could not want for more.

All the cruising must - haves are ticked.....centre cockpit, private aft cabin, L-shaped galley, full nav station, full access diesel, visitors' cabin, Huge Semi Circle 6 person dinette for the evening 'sundowners'.

A proven roomy 2 handed cruising yacht in excellent condition for its age.

For anyone looking for a very affordable liveaboard or coastal cruiser this vessel is a must to inspect, for further information or to organise a viewing, please contact us today.
