Description

Look at this incredible Silverton 42, this stunning vessel is in exceptional condition and is defiantly worth considering if you are looking for a big volume family boat to take off on!

Fitted with Twin 220hp Shaft drive Yanmar engines this boat also boasts:

- Huge Island Bed in Bow
- Underwater Lights
- Raymarine Axiom Pro Chart Plotter
- Nautical Structures Davit on Bow
- Brand New Camper Covers around aft cockpit
- Kohler Genset
- 2 x Air Conditioning Units
- Huge 1900L fuel Capacity and 1000L water Capacity
- Deck Wash
- New External Carpets in Flybridge

These great vessels have a lovely feeling on board with 360 views from the Saloon and a very clever open linear galley and two generous cabins. A separate shower room and head always ticks alot of boxes as well.

The aft deck is a very generous space, and a real bonus are the stairs leading to the flybridge, show me another vessel in this category with stairs rather than a ladder to the Gin Lounge!

These boats rarely come on the market and for anyone looking at a Riviera, Maritimo or other flybridge power yacht, be sure to inspect this first!

For further information, or to organise a viewing, please contact us today.
