Description

Talk about stunning!

First launched in 1984 'Seakeeper' is in excellent condition, she features a new Fusion sound system, a huge entertaining cockpit, princess seats at the stern, and incredible volume for a 37ft yacht. Stepping on board you first notice the clean decks and lines, and plenty of useable deck space.

Internally the head room is fantastic and the owners have her currently set up with a day bed rather than a saloon table, naturally this can be raised if you have extended family for lunch or dinner, but it's all about relaxing on this great yacht, a feeling you instantly get.

A good size galley and huge fridge space, makes long stays on the boat not just possible but a joy, and to stern there is a good sized sea berth and access to the stern for storage.

One of my favorite points on this great yacht are the windows between the cockpit and the saloon, allowing for ample light and air flow.

Some of 'Seakeepers' other excellent features include:

- standing rigging replaced in 2020
- new holding tank system added in 2022
- Raymarine Chart Plotter and Auto Pilot
- Epower 2000 Inverter and Charging System
- Contec 2 KVA Genset
- New 450w solar panel, Victron solar controller and shunt plus 40ah DC to DC charger with option of extra solar input.
- Muir Electric Windlass with cockpit control
- Shore Power and Batteries (starter battery replaced in 2022)
- New stern gland drip less Seal
- New switchboard
- New Fridge and Freezer in 2019
- new Fusion stereo system
- New LG microwave
- New taps and sink
- repainted cockpit
- electric induction stove

If you are looking for a reliable, comfortable and lovingly looked after Swanson 36, then 'Seakeeper' is a must to inspect. For further information or to organise a viewing please contact us today.
