Description

The Cardinal Series of yachts date from the 1980s and were the foundation of the Warwick Yacht Design Company. Alan Warwick 1934-2018 set up the W.Y.D company in Auckland in 1980 producing over 500 designs to include performance yachts, mono and multihulls, luxury superyachts, and commercial boats. The company quickly gained a reputation for quality design and as such performance cruiser/racers such as the Cardinal 46. Consequently, they are highly sought-after, long-distance, blue water, fin & skeg yachts with well-planned generous accommodation for extended living aboard.

'Tequila' is an awesome opportunity for someone to acquire this gorgeous Cardinal for a great price. Externally she presents incredibly well. Internally she requires some TLC to all of the woodwork.

A Shipwright, DIY enthusiast, carpenter, or someone with a bit of know-how and the skills to sand the internal timber back, and apply some varnish could easily bring this beautiful example of a Cardinal 46 back to her former glory!

‘Tequila’ has been cruised extensively on the east coast of Australia. She performs incredibly well for a boat of this size and is easy to handle single handed or short-handed. It is an excellent coastal cruising boat with everything required for live aboard and cruising and features some must have extras including:
• A 2019 Survey available
• Anti-Fouled June 2020
• New teak deck 2016
• Yanmah Turbo Diesel 65 Hp (1819 hours)
• Feathering prop
• New Dodgers and boom bag
• Lewmar Winches
• B & G Auto Pilot

This is your opportunity to own the beautiful vessel, “Tequila” and start planning your blue water adventure

For anyone looking for a very affordable liveaboard or coastal cruiser this vessel is a must to inspect,

For more information or to organise a viewing please contact us today.
