Description

Inspired by the lines of the Grand Soleil 52 originally designed by German Frers in 1987, this new addition marks the return of a legendary model. At the time, approximately sixty units were produced of a yacht described as “a masterpiece destined to last”. Prophetic words indeed: the new Grand Soleil 52 Performance, starting from the Cantiere del Pardo concept, was designed by the proven duo Matteo Polli and Nauta Design and takes up the elegance of its progenitor (starting with the Navy blue lines of the beautiful line) and the same harmony of shapes which, then as now, translates into stability and performance.

Intended for competent and passionate owners who do not want to compromise on comfort and performance, the Grand Soleil 52 is part of the successful Grand Soleil Performance line and is available in two versions, “Performance” and “Race”, to satisfy the needs of the more sporty customers and the needs of people who prefer fast cruising to regatta courses.

The “Race” version features 6 winches, longitudinal rails for the jib, recessed mainsail traveller, larger sail plan and a carbon bowsprit that is 90 cm longer than the standard version.

To find out more about this incredible yacht, including delivery times and specifications please contact the team at SMB.

We are proud to be the Australian exclusive Grand Soleil Dealer and look forward to discussing this model with you.

Features

Designer	Matteo Polli / Nauta Design
Builder	Cantiere Del Pardo
Water (Potable) Capacity (l)	600
