Description

Don't wait 12 months for a new boat, when you can take ownership of this amazing boat today, with only 89 hrs on the clock and way too many factory options to list including the factory gyroscopic stabiliser making her super stable on the water this boat will definitely not disappoint. Powered by 3 x 300Hp Mercury V8 Verados with Joystick piloting, autopilot, skyhook and docking all incorporated into an insanely simple system to use. Pushing a total of 900HP this boat will put a smile on your face every time you turn the engines over. This boat offers breathtaking performance, impressive capability and incredible comfort. Great for entertaining friends, discovering new locations, getting to your favourite fishing spot and home in no time, all in luxury comfort.
