Description

The Bali 4.3 is one of the most sought after cruising catamarans of its generation, combining exceptional living space with impressive sailing capability. Designed by Xavier Faÿ and built by the renowned Catana Group, the 4.3 is known for its unique open plan layout, highlighted by the famous tilting "Bali door" that connects the saloon and cockpit into one expansive entertaining area.

Whether you're planning extended coastal cruising, bluewater adventures, or simply enjoying weekends on the water with family and friends, Rinaldowill deliver comfort, performance and versatility in equal measure. The flybridge provides excellent visibility under sail, while the large foredeck lounge area offers the perfect place to relax at anchor.

Inside, the exceptional interior is complemented by a generous 4 cabin, 4 head layout, with ample storage and modern amenities throughout. With its impressive volume and innovative design, the Bali 4.3 continues to set the benchmark for modern cruising catamarans.

Some of her key features include:

- Highly desirable 4 cabin layout, each with their own ensuite.
- Renowned "Bali Door" connecting the Saloon and cockpit seamlessly.
- Reliable Nanni diesel engines.
- Water maker and Genset, making it perfect for extended stays aboard.
- Extensive fridge and freezer space thanks to the full size double door Highsense fridge/freezer.
- Upgraded navigation equipment - modern and easy to use.

This is a great opportunity to acquire an amazing catamaran that ticks all the boxes. Reach out to the team at Sydney Marine Brokerage today to find out more or arrange a viewing.

Thinking About Buying?
