Description

The Bavaria C42 e-Line is a remarkable evolution of the C line, now combining its distinctive character with quiet, eco-friendly electric propulsion. Its modern hull, featuring chines and a V-shaped bow, delivers excellent performance under sail while creating an impressive amount of space below deck. Every detail, above and below deck, has been carefully refined to offer the latest innovations in yacht design, construction, and sustainable sailing.

On deck, the C42 e-Line is designed for comfort and control. The extended aft cockpit features wide side decks, ergonomic seats, and supportive backrests at the helm, while additional sunbathing areas on the foredeck, coachroof, and cockpit make relaxing aboard effortless. Halyards and control lines are clearly visible and easily accessible, simplifying sail handling and enhancing safety. A manual teak bathing platform with a swim ladder provides the perfect addition for water activities.

Below deck, the C42 e-Line offers flexible layouts with 2 to 3 cabins and 1 to 2 heads. The salon table can convert into a dining area for 8, or lower for lounging or additional berths. Spacious cabins and smart interior design ensure comfort on longer voyages, whether cruising with family or racing with friends.

As the Australian dealer for Bavaria Yachts, Sydney Marine Brokerage can guide you through all options, specifications, delivery timelines, and the full Bavaria e-Line range. Contact us today to discover the C42 e-Line and see how it could transform your next sailing adventure into a quiet, sustainable experience.
