Description

Looking for a yacht that blends German engineering, Italian styling, and the quiet enjoyment of electric sailing? The Bavaria C46 e-Line delivers all of that and more.

Designed with passion and precision, the C46 e-Line represents the next step in Bavaria's innovative cruising yachts. Thoughtful layouts, smart use of space, and an impressive range of equipment options make this yacht a pleasure to sail, while providing an inviting platform for family and friends. With electric propulsion, sailing is quieter, cleaner, and still offers the effortless handling, performance, and comfort that Bavaria yachts are known for.

The C46's standard version was awarded European Yacht of the Year 2024 in the Family Cruiser category, and the C46 e-Line shares the same hull, interior, and layout - combining the DNA of an award-winning yacht with modern sustainable propulsion.

The signature Bavaria V-bow and pronounced chines, developed with the Cossutti Yacht Design team, create a confident, distinctive look while enhancing stability, steering control, and overall sailing performance. A single rudder setup ensures precise handling and a smooth, responsive feel at the helm.

Above deck, the C46 e-Line provides flexible spaces for relaxing and entertaining, including sunbathing areas on the coachroof, comfortable seating at the pulpit, and a large lounge-style cockpit that can convert into two generous sunbeds. Abundant storage is available in the bow, cockpit, transom, and, depending on options, beneath the helmsman's seats and in the spacious Bavaria B-Box. The electric teak-covered bathing platform with swim ladder complements the e-Line's modern, eco-conscious design, perfect for days spent on the water.

Below deck, the C46 e-Line is equally versatile. Choose from 3 to 5 cabin layouts with 3 to 4 ensuite heads, plus optional utility rooms for a washing machine or extra storage. The starboard aft cabin can be configured as a wide double berth or separated into two singles, providing flexibility for families or charter use. Each layout features a well-positioned navigation seat with ideal sightlines and an integrated sprayhood channel for a tidy deck and easy stowage.

With its combination of award-winning DNA, luxurious comfort, and sustainable electric sailing, the Bavaria C46 e-Line is ready to match your sailing ambitions - whether that's relaxed coastal cruising or extended offshore adventures.

As the Australian dealer for Bavaria Yachts, Sydney Marine Brokerage can guide you through options, pricing, and delivery timelines. Contact us today to explore the C46 e-Line and the full Bavaria sailing range.
