Description

The Bavaria Cruiser 37 combines sailing performance, safety, and spaciousness in one versatile yacht. Designed to deliver excellent handling and confidence on the water, it also offers generous living and entertaining areas for family and friends.

The XXL cockpit provides plenty of space for relaxed sailing or socialising, while below deck there is comfortable accommodation for up to six people, with layouts available in 2 or 3 cabins. Whether for weekend cruising or extended trips, the Cruiser 37 balances practicality with comfort.

Inside, the yacht features a standing height of 1.95 m in the salon, a large triangular master bed in the forward cabin (1.90 x 2.00 m), and wide, rectangular double beds in the aft cabins (2.05 m long). The separate L-shaped pantry offers ample storage, a 90 l fridge, and a 2-burner gas stove, making life aboard convenient and enjoyable.

The rig is a 9/10 anodised aluminium setup with two sets of aft-swept spreaders (25°) and an optional furling system for easy sail handling. The Cruiser 37 is offered with two helmstands, giving flexibility for different sailing styles and preferences.

With its combination of safe, responsive sailing, intelligent use of space, and practical onboard amenities, the Bavaria Cruiser 37 is ideal for sailors who want comfort and performance in equal measure.

As the Australian dealer for Bavaria Yachts, Sydney Marine Brokerage can guide you through layout options, equipment packages, and delivery timelines. Contact us today to learn more about the Cruiser 37 and explore the full Bavaria range.
