Description

The Bavaria R40 is the result of exceptional engineering and design by the BAVARIA development team, combining luxury, sportiness, and intelligent use of space. With her clear, elegant lines, the R40 captures attention on the water while delivering generous living and entertaining areas both above and below deck. Owners can choose between the Coupé and Flybridge versions, allowing the yacht to reflect individual style and preferences.

The R40's design philosophy emphasises subtlety and practicality. A perfect example is the kitchen, seamlessly integrated into the salon, appearing as an elegant piece of furniture opposite the comfortable lounge seating. This approach allows the interior to feel open, sophisticated, and effortlessly functional, with plenty of space for socialising, relaxing, and entertaining.

Below deck, the R40 offers two luxurious suites, each with its own bathroom. The owner's aft cabin features a king-size bed and an elegant sofa, while the guest cabin has a double bed that can convert into two singles, providing flexibility and comfort for family or friends. Natural light floods the interior through large salon windows, enhancing the sense of space and openness.

On deck, the R40 impresses with a huge sunpad on the bow and a flybridge with a generous lounge area, perfect for relaxing while enjoying panoramic views. The yacht also includes a hydraulically lowered bathing platform, ideal for launching a jet ski or tender. Owners can choose from a range of packages, options, and premium materials for wood, fabrics, and upholstery, ensuring the yacht is tailored to personal taste.

With its combination of elegant design, practical layouts, and spacious living areas, the Bavaria R40 is perfect for those seeking luxury, performance, and comfort on the water.

As the Australian dealer for Bavaria Yachts, Sydney Marine Brokerage can guide you through layout options, equipment packages, and delivery timelines. Contact us today to learn more about the R40 and explore the full Bavaria range.
