Description

The Bavaria S29 represents the essence of the BAVARIA S-LINE, a series defined by German engineering, intelligent design, and the combined expertise of the BAVARIA development team. Built for those who love sporty performance on the water, the S29 blends power with functionality, offering a layout that is both practical and comfortable whether you're enjoying a fast-paced ride or a relaxed day on board.

From the very first glance, the S29's dynamic, athletic design communicates its performance capabilities. This is a yacht created for drivers who appreciate speed, handling, and precise control. The ergonomic helmstand features a clean, intuitive layout, making navigation effortless and enjoyable. Yet, despite its sporty nature, the S29 remains a welcoming platform for family and friends—delivering both driving fun and onboard comfort.

Below deck, the S29 provides a surprisingly spacious interior. The stern features two-metre twin beds, offering ample sleeping space, while the cabin maintains 1.85m of standing height, enhancing comfort and ease of movement. A well-designed bathroom with toilet and shower adds convenience, and the salon seating area can comfortably host four people or convert into an additional double berth as needed.

On deck, the S29 continues to impress with a large cockpit, complete with a table and wetbar, ideal for casual meals and entertaining. A stern sunbed with generous storage enhances relaxation and practicality. Performance enthusiasts will appreciate the variety of Mercruiser and Volvo Penta Z-Drive engine options, allowing owners to tailor the boat's power and handling to their preference. The model also offers attractive equipment packages and a choice of refined wood, fabric, and upholstery materials, allowing each S29 to be personalised in both style and function.

Blending sporty handling, smart layouts, and comfort in every detail, the Bavaria S29 is the perfect choice for those seeking a versatile, energetic day cruiser that still delivers the comforts needed for extended time on the water.

As the Australian dealer for Bavaria Yachts, Sydney Marine Brokerage can guide you through layout options, equipment packages, and delivery timelines. Contact us today to learn more about the S29 and explore the full Bavaria range.
