Description

The Bavaria S45 represents the pinnacle of the S-LINE philosophy, where speed, luxury, and intelligent engineering come together in perfect harmony. Designed with the hallmarks of exceptional German craftsmanship, the S45 combines performance, functionality, and sophisticated comfort both above and below deck, ensuring every moment on the water is as enjoyable as it is exhilarating.

With her sleek profile and dynamic hull design, the S45 offers safe, confident handling in all conditions, powered by high-performance twin drives available as either Z-Drive or IPS. The result is a motor yacht that delivers thrilling performance without compromising on stability or efficiency. Available as either a HARDTOP or COUPÉ, she provides flexible protection from the elements while maintaining an open, spacious feel throughout the cockpit and deck areas.

Below deck, the S45 showcases luxurious accommodations, with layouts available in two or three cabins. The owner's suite features a private bathroom with a separate shower, offering the comfort and privacy of a much larger yacht. The salon includes a settee with dining table, seamlessly connected to a fully equipped galley with a ceramic cooktop and multiple refrigeration options, ensuring easy entertaining during both long passages and relaxing evenings onboard.

Above deck, the S45 offers multiple sunbathing and relaxation zones, including a stern sunbed, cockpit sun lounges, and expansive foredeck sunpads. A well-appointed cockpit wetbar with sink and cover ensures drinks and snacks are always within reach, while premium upholstery and high-end material selections allow every owner to tailor their S45 to a refined, personal style.

With its blend of dynamic performance, luxurious living spaces, and the unmistakable design quality Bavaria is known for, the Bavaria S45 is the ideal motor yacht for those seeking comfort, capability, and elegance on the water.
