Description

With the Bavaria SR35, we introduce the newest model in the successful SR-LINE, following the SR41 and SR38 for the 2023 season. As with all motor yachts in the BAVARIA SR-LINE, the focus during development was on creating space for life on deck. Below deck, the SR35 impresses with a well-thought-out room layout, providing generous space for four people. Together with the BAVARIA development team, Italian designer Marco Casali drew up the sporty, elegant lines of the motor yacht, which measures 11.40 m long and 3.46 m wide.

"After the SR41 and the SR38, the Bavaria SR35 is the newest member of the SR-LINE, which clearly follows the design philosophy of the series. The whole project team has integrated plenty of clever solutions to meet the needs of families and friends. On board the SR35, individual relaxation, sociable hours at sea, and yachting fun each have their own space. That makes the SR35 the ideal yacht for individual requirements," explains Beate Wirtky, Product Manager BAVARIA YACHTS.

Depending on the configuration, the cozy stern settee with lowerable table can be used for a small snack or a drink while watching the sunset, or fitted with a storage box for your belongings. In both cases, the settee converts into a large sunbathing area at the aft cockpit. The SR35 is available as a Hardtop version with either a fabric softtop or electrical GRP Hardtop, while the comfortable cockpit area with L-shaped seating and a large wet bar makes dining with family and friends easy and enjoyable. The high-functional helmstand and co-driver seat include an integrated sunbed, while the large foreship deck provides handrails, cupholders, and a relaxing space apart from the cockpit.

Below deck, the SR35 continues to impress with bright, spacious interiors. The large aft cabin features a big bed (1.97 m x 1.60 m) with a separate 1.23 m chaise longue, and the forward cabin offers a comfortable bed (1.99 m x 1.80 m), creating a pleasant atmosphere of coziness. The head includes a separate shower with door, ensuring privacy and convenience. Together with the salon and multifunctional layout, the SR35 accommodates up to six guests for overnight stays without compromising comfort.

With its combination of sporty lines, intelligent layouts, and versatile living spaces, the Bavaria SR35 is perfect for those seeking fun, relaxation, and comfort on the water.
