Description

The Bavaria SR41 introduces a new line of motor yachts from BAVARIA YACHTS, combining the sporty performance of the S-LINE with the comfort and versatility of the R-LINE. Designed for days of relaxation and fun on the water, the SR41 features a comfortable cockpit, a large sunbed that can quickly transform into a lounge area with a table right at the water's edge, and a spacious bathing platform, making it the ideal motor yacht for family and friends.

The SR41's unique design and layout were developed in collaboration with Italian designer Marco Casali from Too Design and the BAVARIA YACHTS development team, resulting in a yacht that is both elegant and practical. Power is provided by well-known Mercruiser and Volvo Penta engines, delivering efficient, responsive, and safe handling for an exceptional boating experience.

The yacht is available as either Coupe or Hardtop, offering flexibility to suit personal style and preferences. The newly designed helmstand provides full control over all onboard instruments, with a double seat and foldable forward section for added comfort. Below deck, the SR41 offers a two-cabin layout with a luxurious midship owner's cabin and an equally comfortable VIP cabin in the bow. The owner enjoys access to a private bathroom with a separate shower, ensuring maximum comfort and privacy.

On deck, the cockpit features a wetbar, BBQ, and refrigerator, while the stern settee includes a manually lowerable table with upholstered seating for dining or relaxing. The teak bathing platform comes complete with a telescopic ladder and insertable handhold, providing easy access to the water. Owners can also choose from various options and high-quality materials for wood, fabrics, and upholstery, tailoring the SR41 to their personal taste.

With its combination of sporty lines, intelligent layouts, and versatile living spaces, the Bavaria SR41 is perfect for those seeking fun, relaxation, and comfort on the water.

As the Australian dealer for Bavaria Yachts, Sydney Marine Brokerage can guide you through layout options, equipment packages, and delivery timelines. Contact us today to learn more about the SR41 and explore the full Bavaria range.
