Description

These gorgeous yachts were built for stable and safe blue water cruising and Quetzal 2 is a great example of these classic family yachts.

Launched in 1981, she was professionally built at Theodore Boat Builders in South Australia, the clever design of the yawl rig produces a lovely sea kindly motion and the aft mast acts as a great stabiliser when travelling our at times rough Australian coastline.

'Quetzal 2' has been lovingly looked after by her current owners with many recent upgrades including:

- New Rigging in 2021
- Anti Foul in April 2023
- Upgraded Garmin Chart Plotter
- Generous Sail Wardrobe
- Powerful 85hp Perkins Diesel, beautifully maintained
- Solar Panels
- Raymarine Wind Instruments
- Electric Heads with Holding Tank
- Highfield 2.3 Air Deck Tender and 3hp Mercury

Boom tent, lazy jacks and jib furler making cruising a breeze.

This stunning yawl will make a perfect liveaboard or family coastal cruiser and considering her recent upgrades she is seriously priced to sell.

Located on Sydney's Pittwater, she is easy to view, please contact the team at SMB today for further information, or to organise a viewing.
