Description

Not often do these highly sought after yachts come to market, and rarely one as well presented and considered as this.

Delivered in December of 2007, this gorgeous Buizen 48 would have to be one of the last MK 2's built by the famous Australian Yard. Her fastidious owners seriously thought through the build and it shows. Not only is this stunning vessel loaded with extras, but she presents in show room condition, with unusually low engine hours for a Buizen,(910hrs) and simply immaculate timber throughout.

Some of her notable features include:

- Leisure Furl Boom with Holmatro Hydraulic Vang
- Reckman Electric Furling Headsail
- Electric Arco Hutton Cockpit Winches
- Raymarine Electronics Package including Auto Pilot
- Spinnaker Pole and Track
- Jabsco Deck Wash in Bow
- Stunning and Perfect Teak Decks
- Bose Sound System
- Lithium House Batteries
- Onan Genset
- Stainless Steel Davits with Nordik 2.3 Tender

If you have been waiting for the ultimate cruising yacht, then this Buizen, the Rolls Royce of Australian yachts is the vessel you need on your short list.

Please do not delay in contacting the team at SMB today to organise a viewing or for further information, we look forward to showing you over her.
