Description

"Baiana" is a beautiful Buizen 48 Pilothouse Sloop launched by the current one owner in April 2003 with a customised Island Stateroom layout.

She has enjoyed cruising the Australian coast from the West Australian Kimberley's to PNG and New Caledonia, down to Tasmania and back to Sydney, with everything in between. Buizen yachts have achieved an iconic status as a handmade Australian yacht with true integrity, quality craftsmanship and excellence in design.

This example has more interior space than virtually any other 48-foot yacht leaving ample room for all the comforts of a luxury motor cruiser. It features hand crafted Teak and Holly Timbers, a true entertainer's galley complete with fridge, freezer, stove, microwave & dishwasher. You have a choice of 3 cabin layouts, sleeping 5 adults in style and comfort.

The Buizen 48 Pilothouse allows 180-degree vision with its wraparound windscreen, with the cockpit and saloon all on one level so the skipper can converse with the passengers, making the Buizen 48 a true social boat.

As a yacht, the Buizen performs admirably. A first place in the inaugural Round the World Millennium Odyssey Race and a second in its division in the grueling Sydney to Hobart attest to its strength and speed. Its hull is hand laid solid fibreglass with triaxial reinforcement glass cloth, incorporating vinylester and polyester resins. All bearers, bulkheads, runners, stringers, floors and joinery are glassed into the hull for strength and rigidity.

Self-furling sails and motorised winches let you pilot this thoroughbred at the touch of a button. Or with the sails down, its 920-ltr. fuel tank and 100 horsepower Yanmar turbo diesel engine allow a cruising range of around 1,000 nautical miles at 7 knots.

The cockpit steering pedestal and command instrumentation console have been designed for comfort and maximum visibility and all sail trim can be conveniently operated from the cockpit with electric winches, while the autopilot is a Raymarine 7001 series.

Everything about the Buizen 48 speaks volumes about comfortable passage making, ease of operation, beautiful design and luxury living.

- Bow Thruster
- Double Furler for Jib & Staysail
- Selden Electric In-Mast Furling Main
- Raymarine Auto Pilot, Chart Plotters, Radar and Electronics
