Description

Don't miss the chance to own one of Catalina's most successful models. Samian is ready to hoist the sails and enjoy the gorgeous Sydney waterways, or prepare yourself for a longer cruise along the coastline to your favourite destination, this boat offers it all. At the end of your trip drop the anchor, sit back and enjoy the serenity with a nice chilled glass of wine and some good company.

At 30' long this boat offers a spacious cockpit and interior space with good head room that you would normally only expect to find on the bigger yachts.

The aft cabin, on the starboard side, offers a double berth that fits under the cockpit. To port, the galley offers a Waeco fridge/freezer, oven, 2 gas burner cook top, sink and plenty of bench space for food prep and good storage. Opposite the galley is a small, aft-facing chart table served by the aft end of the starboard settee. The switch panel, which employs automotive-type fuses instead of circuit breakers, is mounted on the outboard partition, with space above it and on the aft-cabin bulkhead for nav gadgets. The dining table with L-shaped settee comfortably seats 5.
