Description

Presenting a fantastic Catalina 355, sporting a great hull design with a long waterline, moderate beam and freeboard, and a handsome low-profile cabin structure.

Everywhere you look on this 355, you'll find features that make sailing for the day or for extended periods a pure pleasure. Precise mainsail control is a snap with a 5' long traveller. Long, inboard genoa tracks accommodate headsails from a powerful 155% genoa to a storm jib, allowing a balanced sail plan for all wind conditions. The inboard shrouds and hardware facilitate tighter sheeting angles for upwind performance, and wide, unobstructed weather decks for safety.

Some amazing features are semi island Queen sized forward berth with innerspring mattress, an equally impressive aft cabin with Queen size bed, relaxing lounge area with superb fold out dining table and side lounge which has another built in table that converts to extend the lounge. Large cockpit locker with gull wing hatch and available quad-leaf folding table.

The 355 is fast and comfortable with qualities proven in its pedigree that are sure to win you over.

Some of the fantastic features of this awesome vessel include:

- Raymarine Electronics Package
- Fusion Stereo system
- 6'4" Head Room
- Stainless Steel BBQ

Anyone considering a great cruising yacht which is jam-packed with options, look no further and contact us today!
