Description

The CLX99 - A New Era in Luxury

From the creative mind of Milan-based designer Jozeph Forakis, this outstanding superyacht combines the CLX-Series' bold, functional design and contemporary comforts. Alongside the CL Yachts technical excellence, you can expect more generous interiors, expanded exterior versatility, and a host of winning features appealing to owners, guests, and crew.

Experience the ultimate in luxury with her expansive water-level platform. Featuring drop-down bulwarks, it transforms into spacious sea terraces on both sides, offering unparalleled access to the water and creating a perfect spot for relaxation and enjoyment.

Throughout the layout, flow and accommodation have been luxuriously considered, making the CLX99 a great fit for charter. The semi-enclosed galley is directly forward of the main deck salon and features a service bar and separate crew access, while the forward dining area offers spectacular panoramic views in shaded comfort. With the optional main deck owner's suite, accommodation is extended to 12 guests, attended by up to five crew.

The CLX99 is purpose-built for long-range journeys. Whether you're enjoying our Australian coastlines, cruising through the breathtaking South Pacific, or offering a world-class charter experiences further afield, the CLX99 is designed to take you further in absolute comfort. With its expansive living spaces, advanced features, and impressive range, this yacht delivers a perfect balance of performance and luxury, ideal for those who want to explore new horizons without compromise.
