A buyer should instruct his agents and/or surveyors to investigate such details buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.

Description

Look at this absolute show stopper!

'Pearl' is a simply stunning timber sloop rigged yacht, that was commissioned by her current owner and built on Pittwater between 1992 and 2016 by none other than our well-known local craftsmen Colin and Ken Beashel.

Her hull is made from Huon Pine Carvel Planking, Spined and Sheathed, her frames are Laminated QLD Maple, Ribs American Oak and Floors Tea Tree.

Her Deck is Fijian Kauri V Joint planking strakes, glassed over and then laid with celery top pine, margins, capping and trim are all rosewood.

The cabin showcases Huon pine side cabins, with the bulkheads and cabinetry in rosewood trim.

This yacht is an incredible vessel, not only does she look and feel amazing when you step onboard, but she also sails like a dream. A clever Qld Beech centre board case houses a centreboard that dramatically improved her performance with an increased draft from 0.91m to 1.98m.

'Pearl' also features some great modern inclusions such as:

- 2 x 12v Fans

- Furling Jib and Genoa + Fully Battened Mainsail
- Hutton Electric Winches
- Electric Windlass
- Hot and Cold Water for that cockpit shower
- Fusion Stereo
- Course Master Auto Pilot + Raymarine Log and Sounder
- 400amp of Lithium House Batteries
- Complete Set of Covers including Boat Cover
- 3 Blade Folding Prop

If you are looking for a beautifully built timber yacht, one that purely needs looking after rather than fixing up, love the feeling of sailing and need that time on the water away from all of the worries of the world, 'Pearl' is certainly a yacht to consider, no need for crew as she is easily sailed single handed.

For further information, or to organise a viewing, please contact the team at SMB today, we look forward to showing you over this gorgeous yacht.

Features
