Description

After the incredible world wide success of the New GS44, winning multiple design and cruising awards not to mention winning the 2021 ORC World Championships, the launch of the new GS72 Performance has the world sitting on edge to discover an incredible evolution of design success and building precision.

Designed by Matteo Polli - The Wizard of IRC, the famous Marco Lostuzzi, and Nauta Design the GS72 will quite simply be a show stopper!

Performance, design, innovation: the extensive construction experience of the Forlì-based shipyard is combined with the development of innovative solutions that place increasing emphasis on sustainability and energy efficiency.

The new Grand Soleil 72 Performance is a yacht developed according to the needs of those owners who appreciate a made-to-measure approach, to live their adventures in comfort, safety and autonomy in the utmost respect of the marine habitat.

The new Grand Soleil 72 Performance will represent the pinnacle and synthesis of Grand Soleil’s shipbuilding experience.

The aim: to launch a spacious boat to guarantee ample accommodation and comfort on board, while maintaining high levels of performance.

To discover more about the new GS72 Performance, contact our team at Sydney Marine Brokerage today, personalised walk through and in depth live discussions with the design and building teams, makes buying a new Grand Soleil an experience like no other.
