Description

Launched in May 2023, this beautifully specified Grand Soleil 46LC presents in superb condition with minimal engine hours and very light use. Built by Cantiere del Pardo, the 46LC is celebrated for combining Italian craftsmanship, elegant design and impressive sailing performance in a true blue-water cruiser. This example features the highly desirable three-cabin, two-bathroom layout with a refined oak interior, white Corian galley surfaces and a convertible saloon for additional flexibility.

Exceptionally well optioned, she is powered by a 75HP Volvo Penta saildrive with folding propeller and features an upgraded tall mast with rod rigging, hydraulic backstay and extensive Harken electric winch package for effortless short-handed sailing. Her sail wardrobe includes North Sails tri-radial main, self-tacking jib and furling A2 gennaker, delivering both performance and ease of handling. A full suite of B&G H5000 electronics with Zeus 12" plotter, radar and autopilot ensures confident navigation offshore or along the coast.

Comfort has been equally prioritised, with full Flexiteek decking, bow thruster, generator, air-conditioning, electric toilets, premium entertainment systems and a comprehensive tender package including Highfield RIB with 20hp Honda outboard. On deck, thoughtful additions such as sunbed cushions, stainless steel detailing and an integrated cockpit plotter enhance both practicality and luxury.

An outstanding opportunity to secure a near-new, highly specified Grand Soleil 46LC.

Features
