Description

Once in a life time an opportunity arises to join the growing family of Grand Soleil yacht owners at incredibly good value, and now is that time, introducing 'Lula' a stunning Grand Soleil 43 sailing yacht, designed by J&J and hand crafted by the famous Italian yacht yard, Cantiere Del Pardo.

Cantiere Del Pardo has been successfully building racer/cruiser yachts since 1973, their attention to detail is 2nd to none, from internal timber works to water testing each and every vessel that leaves their yard. When you are buying a Grand Soleil yacht, you can rest assured you are buying a vessel which will not only take you safely anywhere in the world, but also easily dominate the competition at your local yacht club and beyond.

This gorgeous yacht has recently had new rigging fitted is has been fitted with some fantastic additional features including:

- Fischer Panda 3.5 Kva Generator
- 4 Blade Feathering Max Prop
- B&G Zeus 2 Electronics, including chart Plotter, GPS, Auto Pilot and Sounder
- Lazy Jacks
- Stainless Steel Mast Head Rigging, (Replaced in 2023)
- Full set of Covers, including Dodger, Deck Cover, Bimini, Helm Cover

'Lula' is priced extraordinarily well as she is due for some TLC, some corking to her teak decks, a bit of Varnish work in the saloon and a new lick of paint on her hull would really make her shine.

These vessels really hold their value, so if you like the idea of owning an incredible yacht built with pure Italian craftsmanship, and owning the prettiest yacht in the bay, that will happen to also outsail and outperform everyone in your division at your local yacht club...then this is the yacht for you.

If you are looking for the ultimate racer cruiser, a yacht that ticks all of the boxes, or perhaps just something special, please contact Sydney Marine Brokerage today for her detailed inventory or to organise a viewing.
