Description

The ITA 15.49 is the refined, larger sister to the award-winning 14.99, merging Italian elegance with advanced ocean-going performance. Its taller coachroof, extended sugarscoops, and expansive glazing flood the interior with light while maintaining a sleek, sporty silhouette. Built with epoxy-glass sandwich and carbon reinforcement, this semi-custom catamaran offers both strength and responsiveness for confident sailing in all conditions. A fractional rig, self-tacking jib, square-top main and Code 0 deliver exciting light-air acceleration, while retractable daggerboards ensure impressive upwind performance.

Key Features

- Carbon-reinforced epoxy-glass construction for structural strength and reduced weight
 - Retractable daggerboards, draft 1.20 m (up) / 2.50 m (down) for superior windward performance and shallow-water access
 - Sail plan: 91 m² mainsail + 49 m² self-tacking jib, plus 120 m² Code 0, 140 m² gennaker -powerful and versatile
 - Fractional rig with square-top main and all halyards led to helm, perfect for short-handed or solo sailing
 - Semi-customisable interior layouts (3-4 cabins), with options like office cabin and tailored systems, finished in refined Italian style
 - Twin aft helm stations with excellent visibility and ergonomic positioning for confident handling
 - Ocean-ready systems: CE Category A/B/C certification, high bridgedeck clearance, wave-piercing reverse bows
 - Designed by Yacht Design Collective - Pérus & Scolari, delivering clean lines and high nautical engineering standards
- Ideal for Sydney's offshore and coastal conditions, the ITA 15.49 brings together home-level comfort, exhilarating performance, and tailored craftsmanship.
