Description

'Irene's Endeavour' is certainly a thing of beauty and a testament to the current owner.

This vessel offers her owner a large, big volume living space, solid heavy weather performance, and attracts admiration and sheer presence in any anchorage or marina. With more than ample space for entertaining in any climate 'Irene's Endeavour' represents exceptional value for money.

'Irene's Endeavour' is a 65' John Pugh Steel Ketch built from 6mm plate. With her huge sail volume, she is capable of a good nine knots in a strong breeze giving you the feeling of confidence and security when most other vessels have had to go down to bare poles or race to a safe haven.

Her accommodation is perfect for live aboard or cruising with family and friends, and includes multiple living spaces with a bridge deck saloon and full width lounge which also converts to additional berths. She has a large domestic style galley located below and fwd of the bridge deck.

Aft is the owners en-suited master cabin. Interior timber work is beautiful New Guinea Rosewood and in fantastic condition.

At her heart is a solid Perkins 6 cylinder diesel which has been regularly maintained by the owner and there is also a 6.5 KVA ONAN Generator. Carrying 2,500 litres of fuel capacity and cruising @ 6 to 7 ltrs/hr @ 1500 RPM this is truly a safe ocean going vessel.

Some of the amazing features of this vessel are:-

- Nearly new Grand 3.3m inflatable with 25hp Yamaha engine plus bonus backup 4hp Yamaha
- 5 Cabins with 9 berths
- Extensive computer-controlled entertainment system
- New B & G electronics suite Zues3 12" MDF
- 2 x near new 200-amp AGM Engine Batteries
- 85% of internal steel hull is accessible for maintenance
- Furling Headsail, Furling Staysail,

If you are looking to be the new custodian of this incredibly well-maintained luxury yacht, step onboard with us and you will instantly fall in love.

Please contact us today for further information or to organise a viewing.
