Description

Combining excellent all-round offshore performance, easy manoeuvrability, and a strict One Design, the L30 is the perfect yacht for beginners or advanced sailors.

Designed with performance at the forefront, the L30 also has the comfort of a cruising vessel for those with families. Featuring two sleeping berths, galley kitchen, spacious head on the star board with marine toilet, sink and shower, and stowage lockers on both sides of the saloon.

The L30 hull, deck and internal structures are built in vinylester resin and glass in vacuum bagged infusion technology and sandwich construction with PVC foam and has a lifting keel with lead bulb as well as two lifting rudder blades with a custom steering system and two steering zones.
