What an incredible opportunity!!

Not often does a vessel of this calibre come on the market and certainly not one that has been this incredibly well thought out and specified.

'Exhale' exclusively listed with SMB was originally commissioned for Greg Haines as his personal boat. Greg was the head of marketing for Maritimo, so as you can imagine no stone was left unturned in the build and design process. Designed as a luxury cruising and liveaboard vessel this awesome boat comes loaded with extras including:

- Integrated Garmin Electronics package
- Seakeeper 9 Gyro

- Flir Night Vision
- Zip Hydro Tap for instant hot water and carbonated desalinated water in the galley
- Salt / Fresh Deck wash
- 2 x 190w Solar Panels with auto start function for the Genset
- Underwater Lights

Internally she features an extended Galley Island bench, Electric Blinds, an impressive VIP cabin midships, Vip Fore cabin and twin bunk room to Starboard. In the flybridge you are greeted with multiple entertaining areas including the aft deck, an electric star gazer moon roof and two comfortable seating areas around the main helm station.

The internal timber work was originally coated with 16 coats of varnish, and the timeless New York styling exudes luxury and comfort.

Stepping aboard this incredible vessel you immediately feel like you are on holiday, the stunning fit out and extensive inventory will impress even the most fastidious of buyers. If you are considering a new Maritimo, Riviera or luxury yacht, why wait when you can step aboard this magnificent vessel just in time for the Summer ahead.

The current owner has meticulously looked after 'Exhale' to the extent that even all of its soft furnishings have all been replaced to the original design by David Stewart designs.
