Description

The 2007 Meridian 391 is a flybridge cruiser that knows how to tick all the right boxes. With her twin Cummins diesels, solid shaft drive reliability, and a layout designed for both comfort and practicality, she's the kind of boat that makes weekends away effortless and longer trips downright enjoyable.

Inside, the two cabin layout provides plenty of space for family or guests, with a generous master stateroom and a well appointed bathroom. The saloon's panoramic windows keep everything bright and open, while up top, the flybridge isn't just a helm station, it's the best seat in the house, with wraparound seating and unbeatable visibility whether you're underway or enjoying a sundowner at anchor.

Key Features:

- Twin Cummins 380hp diesel engines with shaft drive for dependable cruising
- Brand new clears just completed Jan 2026
- Flybridge with wraparound seating and commanding views
- Light-filled saloon with open-plan galley for easy entertaining
- Generator and air-conditioning for extended comfort on the water

Boats like this don't sit around for long. To find out more or arrange a private viewing, get in touch with Cooper at Sydney Marine Brokerage, he'll be happy to show you why the Meridian 391 remains such a smart choice.
