## Description

'Frankly My Dear' a 2003 370 is a Euro-style design by Scott Jutson that is hand-made, indeed tailor-made, by skilled shipwrights and craftsmen at Northshore's NSW Central Coast factory. The fibreglass hull is fully hand-laid to a high-tech spec - balsa and foam, in thicknesses varying from 12mm to 25mm, that are sandwiched by vinylster-impregnated mat. The keel is stainless steel with a lead bulb for stiffness, efficiency and longevity.

The vessel has rod rigging, and the electrical wiring all coated. Harkens are the standard winches with Spinlock jammers and turning blocks. All Hatches are Lewmar. The mast is a homegrown Whale spar, keel stepped and superbly engineered. In other words, it is all world-class quality., she is another great example of the quality of yachts listed for sale with Sydney Marine Brokerage.

Frankly My Dear was optimised for performance from the factory, being a sports version with a powerful 2.5m draft, an excellent range of Norths 3Di sails, an array of Raymarine wind, speed and depth instruments as well as a Navman GPS.

For cruising, she has a Dacron cruising main and two Dacron Furling cruising headsails.

This great yacht also has a host of covers including a Bimini, boom tent, boat cover as well as a mainsail cover and lazy jacks.

With three generous double cabins, plenty of headroom and beautiful rich teak trim, she is just delightful.

Some key features of this vessel include:

- Yanmar 3 Cylinder 29hp diesel (last serviced in May 2019).
- Incredible inventory of race and cruising sails
- Raymarine ST60 Instruments
- Navman GPS
- Harken 40 self-tailing radial winches
- High Laminar flow stainless steel keel with a lead torpedo bulb

For anyone looking to tick all the boxes from Twilight racing to weekend adventures this great yacht is a must to inspect, For more information or to arrange a viewing please contact us today, it will be a pleasure discussing this vessel with you.
