### Description

What a great yacht for the family to go cruising in absolute comfort!!

The lift keel allows for shallow anchorages and she performs extremely well as a blue water passage maker with the keel down. Well maintained and looked after by her current owner she is seriously for sale and is a fantastic opportunity for someone wanting a proper world cruiser on a limited budget.

'Meridian Passage' has been cruised extensively on the east coast of Australia. She performs incredibly well for a boat of this size and is easy to handle single handed or short-handed. It is an excellent coastal cruising boat with everything required for live aboard and cruising and features some must have extras including:

- Auto Stream Folding Prop
- Honda Genset
- Hookah Dive system
- Rigging replaced in 2019
- Barient Winches
- New B&G Electronics
- Course Master Auto Pilot
- Furuno Radar
- Silent Air Generator
- Holding Tank
- Full Boom Sun Cover

Internally she presents beautifully, the dining table easily sits 8 and the table does go down to make an extra-large double berth.

To starboard we have a well laid out galley with plenty of storage and counter space.

She also has a furling headsail, boom bag and lazy jacks for ease of sail handling.

The motor has been well maintained and never misses a beat, so for those who want reliability you could not want for more.

For anyone looking for a very affordable liveaboard or coastal cruiser this vessel is a must to inspect, for further information or to organise a viewing, please contact us today.

---
