Description

The 3000 PowerCat Sports Cabriolet is a Sporty weekender high performance catamaran with plenty of features to ensure a comfortable stay. An incredibly popular weekend model providing the versatility of a fixed hardtop with an open sports windscreen.

The versatility of this multi-award-winning craft means you can be entertaining with friends or family one day, or challenging the sea in search of the elusive "big one" the next! With its superior offshore handling capabilities, you'll be fishing your favourite grounds in no time! Experience the "magic carpet ride" and fuel efficiency that has made Powercat, Australia's most awarded cat builder.

The Powercat is safe, stable, fast, economical and versatile.

This boat is in incredible condition, only 18 months old with over 3 years left on the outboard warranty (transferable to the buyer). The twin 175hp Suzuki outboards have only 75 engine hours. First major engine service has just been completed, and the next service is not due for another 100 engine hours (or April 2020).

The vessel cruises at 25 knots @ 4200rpm using just over a litre of fuel per kilometre and with 500l in the fuel tanks it can go all day. Top speed is 38 knots (70km/h).

The cat hull provides lots of space for entertaining, with a full rear lounge, removable granicote table, centre console with fridge, sink and stove. If you need even more space, the lounges are quickly removed to create a huge area for fishing. The boat is set up for a comfortable stay overnight, with a double bed in the fully lined cabin, full electric marine toilet with holding tank and hot water from a heat exchanger

The boat has been sealed and antifouled and is fitted with cavitation plates, underfloor storage compartment with pump and rhino floor lining.

For more information on this great vessel or to organise a viewing, please contact us today.
