Description

Calling all shipwrights or boat builders!

Look at this Awesome Prima 46 that is now seriously for sale, the owner has found a new vessel and needs to free up his mooring ASAP!

These huge volume cruisers feature an incredible aft cockpit and friendly indoor-outdoor entertaining space along with two large twin cabins and a spacious Flybridge.

Built in 1990, cosmetically she now needs a little bit of work to bring her back to her former glory, but the potential is certainly there and with a bit of know how it will certainly make for an impressive vessel.

The Bad:

- The deck needs repainting
- Water Damage, there is some water damage on some of the timber work in the cabins
- The Galley Splash back needs replacing
- Teak Cockpit floor needs replacing or removal
- She needs a good detail

The Good:

- Twin 550hp Detroit Engines well maintained, serviced in August 2019
- Hull is in Great Condition
- Electric Anchor Winch
- Raytheon Chart Plotter, GPS
- Auto Pilot
- Huge 1000L water Capacity
- Air Conditioning
- Fantastic Sea going vessel
- Huge Volume
- Potential Plus!

This vessel certainly needs a little bit of love, but this is a great opportunity for someone to enjoy it as she is, at a great price, or spend some weekends doing her up and make her shine!
