Description

Would you like to enjoy Christmas & New Year aboard your new Princess P65?

Presenting in better than excellent condition, with a long list of upgrades to the value of over \$300k and the added comfort of having all current maintenance works just completed this P65 is not just the BEST but the only P65 for sale in Australia.

.If you're looking for a boat that you can step aboard and drive away then this is it.

The only thing that you'll need to do is come up with a name and christen her!

The Princess P65 is a perfect boat for Australia and this one will definitely not disappoint!

Boasting a practical configuration comfortably accommodating 7 guests across 4 Cabin's, consisting of two VIP Queen's, a twin single and a single there's plenty of room for family and guests.

The Saloon oozes style with rich timber finishes, cream leather appointed Lounges and a wraparound raised dining table. Featuring a sunken galley that's open to the main saloon making this boat very inclusive to all guests. With a spacious cockpit and large Fly Bridge the P65 is a true entertainers boat.

Don't let the build year deter you as this boat presents better than most later model's that I have seen both here and in Europe and with the Australian dollar where it's currently trading this boat represents exceptional value.
