Description

RIVA 20 Corsaro – Coastal Cruiser

Not only is this magnificent 1990 Riva 20 Corsaro a Limited Edition, (being #12 of only 18 vessels built), she is also a fabulous boat for coastal cruising, reaching in excess of 30 knots. You will also enjoy all the luxury and elegance that this beautiful 'Riva' yacht, 'Volare', was designed and built to.

'Volare' is still today maintained to the very high standards that Riva Yachts (now the Ferretti Group) in Italy, are well renowned for. She is a planing yacht with a Flybridge, with a spacious "super yacht" style upper deck.

She was launched in 1990 and has only had 2 owners. The current owners have meticulously cared for 'Volare' and have performed extensive engineering upgrades during 2019 - 2021 including but not limited to:

- New Mace 28 KVA generator
- New skin fittings
- New Hallydays rudders & shafts, balanced to achieve a super smooth performance.
- New bow thruster
- New compressor for the fridges along with a total overhaul
- New inverter and charger
- Replaced all house batteries
- New stainless exhausts and lagging
- New Fusion stereo system
- The Aft deck lights have been re chrome plated
- The downlights in the saloon and cabinet hardware have all been re gold plated as per original.
- All toilets have been overhauled
- Hull has been sandblasted to remove all the old antifouling and new epoxy barrier coat and antifouling applied.
- The multizone reverse cycle air conditioning system has been refurbished.
- New 'Riva' coloured bimini and matching cushions

This is no ordinary luxury cruiser, 'Volare' has a special elegance and classic Italian style about her. She features raw silk and Alcantara upholstery. Her cabinetry is made from burr walnut which is exceptional and has to be seen to be believed. An added touch of class is found in the tableware with Massimo Vignelli designed silver cutlery complimented with crockery and glassware, created by Rosenthal.

'Volare' offers 3 exceptional cabins, all with ensembles and 2 have a bidet. The galley is well thought out with stainless steel bench tops, under bench twin fridges and a separate freezer. Electric oven and cooktop along with a Bosch dishwasher, and plenty of storage. The saloon area is very spacious with 2m+ headroom. It offers plenty of relaxing lounge area along with a beautiful walnut dining table and seating nook. Surrounded by vast expanses of glass and a great Fusion sound system, making this area a wonderful place to entertain indoors. The aft cockpit and flybridge are exceptional areas and offer lots of space, seating, storage, refrigeration and more.

We could go on and on..... however, we invite you to call the team at Sydney Marine Brokerage for more information and to organize a viewing on this one and only Riva 20 Corsaro in Australia. You won't be disappointed.
