Description

Riviera have combined the offshore pedigree and open cockpit of the Riviera Flybridge Collection with the relaxed, flowing one-level living of Riviera Sport Yachts, and created a yacht for both the adventurer and entertainer. The Riviera 445 SUV.

This is blue-water living on a whole new level... The expansive open cockpit works beautifully in full cruising mode or can be easily adapted for diving, fishing and maximum adventure. A layout that is fantastic flowing, easy-living design, not to mention the luxury, light and sweeping saloon views.

World-leading onboard and engine-room technology make the 445 SUV supremely easy to operate and skipper – for novices and experienced hands alike. Powered by the silky-smooth Volvo Inboard Performance System (IPS), Volvo Penta Glass Cockpit Navigation and multi-function display screens to guide you and fingertip-easy, joystick manoeuvrability.

Blue-water adventure seeking is a thrilling if sometimes tiring pursuit. Fortunately, Riviera designers have created a supremely welcoming, luxurious and restful environment below deck: You'll find two magnificent staterooms and two designer bathrooms where you can retire, unwind and restore.

For more information contact the team at Sydney Marine Brokerage.

Features

Designer	Riviera
Builder	Riviera
Water (Potable) Capacity (l)	460
