Description

This 2008 Riviera 51 Enclosed Flybridge is an immaculate example of these highly sought after and popular cruisers.

With just 362 hours on the Cat C12 715hp diesel engines she has seen no hard use and has been impeccably maintained. Whether you're into entertaining on our beautiful waterways or cruising the open seas this vessel won't disappoint. Moving down to the cockpit there is great storage space in lockers and under floor, a live bait well, chest fridge, high pressure washer and low maintenance imitation teak flooring. There is a lounge and coffee table to port in the saloon with a dining area, bar and Ice maker to starboard. Again, to port you then come to the large L shaped galley with under over fridge/freezer, dish washer and Smeg convection oven /microwave as well as a Fisher and Paykel 2 burner stove. Forward of the saloon and galley there are 3 generous cabins and 2 bathrooms. There is a bunk cabin to port and huge double bed cabin to starboard with ensuite bathroom. Next on the starboard side of the corridor there is a linen cupboard with washing machine. To port is the second bathroom which also accesses the forward double cabin.
