Description

Look at this stunning S&S34 yacht, 'Mulloka' has been lovingly looked after and maintained and is looking for a new home.

These classic yachts are famous for multiple round the world solo adventures and are still extremely competitive as club racers or even famous offshore races such as the Sydney to Hobart. These yachts are still very much sought after and have a huge following of enthusiasts around the world.

'Mulloka' was launched in 1976 and was built by Kim Swarbrick in Fremantle, W.A. She features the tall rig and a recently updated 28hp Yanmar engine. Some of her features include:

- Rig replaced April 2018
- Fully Battened Mainsail with Furling Headsail
- Autostream Feathering Prop
- Huge sail wardrobe
- Electric Anchor Winch
- Auto Pilot
- New Raytheon Instruments

These truly are iconic yachts and 'Mulloka' is certainly a great example of the model, with her new rig and very low engine hours she will be a joy for many years to come for her next owner. If you would like any further information on this gorgeous S&S34 or would like to organise a viewing please contact us today.
