Description

This Sailing School and yacht charter business is well established on Sydney Harbour and offers a rare blend of sailing education, charters, and on water experiences. Operating for over 20 years, the business includes a Bavaria Cruiser 37 monohull and a Seawind 1000 catamaran, both maintained in excellent condition and berthed in a prime side by side Sydney Harbour location.

Liquid Edge specialises in hands on sailing instruction, including the only catamaran sailing training currently offered on Sydney Harbour. The business also provides bareboat charters for families and groups wanting to enjoy a few nights aboard, as well as private events for celebrations and corporate functions. Seasonal whale watching experiences further diversify revenue streams.
