## Description

The Sasga 68 Flybridge is the epitome of luxury. With a length of nearly 20m and a beam of 6m, the model was designed for long distance cruising in mind.

The light and airy saloon offers luxurious lounge seating perfect for the whole family. Outside, the aft cockpit is fitted with everything needed for al fresco entertaining and dining with friends.

Below deck, you'll find three beautifully appointed cabins.

Powered with twin 725HP Volvo engines, her performance, economy and ride is outstanding, propelling her to 23 knots if required with a comfortable cruising speed of 14 knots.

Her highlights are a large cockpit and an enormous flybridge with generous lounge area, making it possible to sail the boat under any weather condition.
